**~~~Is Genesis History?~~~**

Join us Wednesday nights, 6:30 PM, as we study the foundational truths and recorded history of our beginnings in the Book of Genesis. We will also be looking at information from new scientific discoveries - explained by some of the top archaeologists, paleontologists, astrophysicists, zoologists and marine biologists - verifying the Bible's account of Creation and the Flood.

**Please read Genesis 1-11 over the next few weeks.**

**This Study provides an excellent foundation for our upcoming church-wide curriculum: Answers in Genesis and will equip you as a believer to help others know the Truth.**

Please come if you can! **Teachers, this will lay a foundation for the new Answers in Genesis curriculum.**

*Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our affliction, so that we may be able to comfort those who are in any affliction, with the comfort with which we ourselves are comforted by God. For as we share abundantly in Christ's sufferings, so through Christ we share abundantly in comfort too.*  
2Corinthians 1:3-5

If you aren't regularly giving please consider the Bible's instruction to do so (1Corinthians 16:2), "On the first day of every week, each one of you should set aside a sum of money in keeping with his income." This passage encourages us to give regularly, individually and proportionately, back to God.
