

From the Building and Grounds Chairman

Exciting news, folks: We are now an all LED lighted church! We were able to take advantage of a Central Lincoln PUD Rebate program that will reimburse the church for 70% of the cost of switching out all the incandescent and florescent lighting to new LEDs. (Light Emitting Diodes) These new lights will use 80% less energy and will last many thousands of hours. This will save us money and reduce our energy footprint and reduce maintenance. I want to **thank** all those who helped make the transition and all the spouses for letting me borrow them. We have many used **light bulbs available** if you need any, including the 4 ft. florescent lights. See Ed. THANK YOU All!   

If you have children, please help yourself to the crayons and activity books located in the **updated** Children's Cupboard in the back of the sanctuary.

We have a special Children's Lesson during the service, then Children's Church for children ages 3 years to 4th grade We are so glad you came!

It is time again!

Please **sign up** if you wish to help during Vacation Bible Adventure, July 22-26 See Wini

What are those **drawstring bags** in the pews? They are for a special offering!
If you desire, please put your loose change in the bag and drop it in the offering plate. **100% goes to food for the hungry.**

**** Congregational Reading:**

Ephesians 2:8-10

For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, so that no one may boast. For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand so that we would walk in them.
