Last week's giving: \$2443, November's total so far.

If you consistently give a portion of your income to the work of the Lord here at FBC, thank you. If you aren't regularly giving please consider the Bible's instruction to do so:

*"On the first day of every week, each one of you should set aside a sum of money in keeping with his income." 1Corinthians 16:2*

This passage encourages us to give regularly, individually and proportionately, back to God.
