Generations  
**The Call of God**  
Genesis 12:1-4

**Study Guide**

**For the week of January 5, 2025**

**(Questions and Scriptures for further study)**

What does it mean when we say that God has called someone?

Does God call people to something other than vocational Christian service? If so, what?

How do you know if God is calling you to do something?

Do you believe God has called you to do something? If so, what?

**Read Romans 12:2.** If we want to know God's will, what do we need to have happen first?

How do we have our minds renewed?

How does having a renewed mind lead to a transformed life?

How does having a renewed mind and a transformed life help us to discern God's will?

**Read 1 Peter 4:10 and 1 Corinthians 12:1-11.**

What are your spiritual gifts?

God is not calling you to do something he has not gifted you to do. How can you use your gifts to serve others in your church? At work? At home?

Generations  
**The Call of God**  
Genesis 12:1-4

**Read Romans 12:6-8.**

The renewed mind takes seriously the needs that you see in the world and the ones that move you most deeply.

What are some of the needs you see in the world around you?

How could you use your gifts to meet those needs?

Do you ever consider how you could meet bigger needs in the wider world?

How could you use your gifts there?

**Read 1 Corinthians 10:31 and Colossians 3:17.**

The renewed mind wants to glorify God above everything.

We want to see the glory of God celebrated in the world.

What are some ways you can pursue the glory of God?

How can using your gifts bring God glory?

What can you do that would bring God the greatest glory?

Are you doing it?

What personal needs has the Holy Spirit exposed during this study?

How can we pray with you about those needs?

**Consider memorizing  
Romans 12:2.**
